

CRIME INVESTIGATION - EVIDENCE REPORT

Case Reference: NGP-2026-FR-0058

Prepared by: Forensic Auditor CA Milind Joshi, Inspector Rekha Shinde

Date: Evidence Logged: 23 June 2026

1. Documentary Evidence

Item E-001: 63 loan files with identical or reused photographs and forged address proofs. Item E-002: Property valuation reports inflating value by 3 to 5 times, all signed by the same valuer. Item E-003: Board resolutions approving large loans signed by the chairman without the mandatory credit committee minutes. Item E-004: Statutory audit reports for three years certifying loan books as clean despite the irregularities.

2. Digital and Financial Evidence

Core banking logs show that KYC fields on 40 accounts were edited after approval and that audit trail entries were deleted on two occasions using an administrator login. Rs. 9 crore has moved through 11 accounts into land purchases in the names of the chairman's wife and relatives. Cash withdrawals of Rs. 2.4 crore were made across the counter by the same person on behalf of the borrowers.

3. Witness Statements

Ramesh Gaikwad (Peon): Says the chairman personally instructed him to hand-deliver files to the manager's cabin and never to open them. Dr. Shirish Pande (former director): Presented copies of his written notes of dissent, dated over two years. Priti Joshi (Cashier): Says she processed large cash withdrawals on written instructions from the general manager and believed they were routine.

4. Forensic Audit Findings

The audit confirms deliberate creation of fictitious borrowers rather than poor lending. 40 of the 63 borrowers were recruited by one agent, who was paid commissions of 2 to 3 percent. Total commission payments exceed Rs. 30 lakh.
